TOP 10 CHATGPT PROMPTS TO EARN MONEY WITH EBOOKS

The exact prompts used in Sleeping Earners' step-by-step ebook guide.

Why This Guide?

If you've ever wanted to make money selling eBooks but didn't know where to start, these ChatGPT prompts will save you hours.
Use them to find your niche, craft titles, outline chapters, and design your eBook faster – without technical skills.

The Prompts

Step	Purpose	Copy-Paste Prompt
1	Find a niche	I want to create an ebook. Can you suggest some profitable niches for me to start with?
2	Discover micro-niches	Can you suggest a micro niche or problems related to [My Niche] that have buyer intent?
3	Create a title	I'm creating an ebook for [target audience] who are struggling with [problem]. The ebook will help them [outcome]. Suggest 10 catchy titles.
4	Generate a subtitle	Write short subtitles that make this ebook sound easy and practical.
5	Outline chapters	Create a detailed outline for an ebook titled '[Title]'. Include 5-7 chapters with actionable steps.
6	Write chapter content	Write a chapter for '[Title]' about [topic]. Include examples, steps, and a conclusion.
7	Improve tone	Edit this ebook section to make it more friendly and beginner-focused.
8	Create a description	Write an engaging book description for '[Title]'. Focus on benefits and target audience.
9	Create marketing reels	Generate 5 Instagram Reel ideas to promote my ebook '[Title]'. Each should include hook + CTA.
10	Write ad copy	Write 3 short ad copies for my ebook '[Title]'. Include emotional hook + value offer.
